To Whom It May Concern:

The Town of Manzanola made an excellent choice in hiring Marc Diament Architecture in the restoration of our 1913 Railroad Depot. Marc has been very thorough and accurate in his architectural work, as well as his experience and understanding of the State Historic Fund has been very beneficial in our pursuing grants for the Depot. He has been very excellent at keeping the progress moving right along which is not an easy task when you are working with fifteen different grantors. We highly recommend Marc Diament Architecture.

Sincerely,

Manzanola Mayor
Shirley Adams
