RE: Marc Diament Architecture PC

To Whom It May Concern:

Marc Diament and his staff performed architectural design services for the City and County of Denver Public Works Department during 1997 and 1998. The project was the 17th Street Streetscape project, a project that I managed. He designed many of the elements of the project and provided the construction documents for those items.

The project involved several complex and intricate elements that had to meet very demanding design criteria. It was no picnic! The quality of his work was excellent and I would choose to hire Marc again in a heartbeat. If I have not made myself perfectly clear, call me. My telephone number is (303) 640-4674.

Sincerely,

A handwritten signature in blue ink that reads "Mark R. Leese".

Mark R. Leese
Senior Architect
Office of the Manager of Public Works
